NEBOSH LEVEL 6 INTERNATIONAL DIPLOMA

for Occupational Health and Safety Management

QUALIFICATION GUIDE FOR LEARNERS

What is Nebosh Level 6 ?

The NEBOSH Level 6 International Diploma for Occupational Health and Safety Management Professionals is an ideal pathway if you are aspiring to build a successful career in the field of health and safety.

The syllabus of this diploma has been meticulously designed in collaboration with industry experts. We have sought input from a wide range of stakeholders, including previous diploma learners, learning partners, subject matter specialists, and employers, totaling over 600 individuals. This extensive consultation process ensures that the qualification meets the highest standards and addresses the evolving needs of the profession.

By pursuing this qualification, you will acquire comprehensive knowledge and practical skills necessary to excel as a leading health and safety professional in the future. You will develop the confidence to identify and resolve everyday health and safety challenges and capitalize on opportunities for improvement.

Moreover, this advanced international health and safety qualification serves as a solid foundation for both academic and career advancement. It will equip you with the expertise and credentials required to progress in your chosen field and open doors to new opportunities.

Course overview

Who is it for?

The NEBOSH Level 6 International Diploma for Occupational Health and Safety Management Professionals is designed for individuals who are committed to pursuing a career in health and safety.

This qualification is especially suitable for:

- Individuals already working as health and safety professionals, or those aspiring to enter this field.
- Individuals who hold responsibilities related to health and safety within their organizations and seek to enhance their understanding and competence in this area.
- Health and Safety Managers
- Safety Officers
- Occupational Health Practitioners
- Risk Managers
- Engineers (including Health and Safety Engineers)
- Construction Managers
- Quality Managers
- Process Safety Managers

QUALIFICATION OVERVIEW

www.nebosh.org.uk

Entry Requirements

- While there are no mandatory qualification entry requirements for the NEBOSH Level 6 International Diploma for Occupational Health and Safety Management Professionals, it is highly recommended that learners have completed the NEBOSH General Certificate in Occupational Health and Safety. The syllabus assumes that learners possess this foundational knowledge.
- Additionally, it is essential for learners to have a proficient level of English language skills to comprehend and articulate the concepts covered in the syllabus. NEBOSH advises that individuals undertaking this qualification should have a minimum English language proficiency equivalent to scoring 7.0 or higher in the International English Language Testing System (IELTS) tests.
